

Hazel Stoneman (14/4/1954 – 20/5/2017)

It is with great sadness that I have to inform you that on 20th May 2017, Hazel lost her battle to cancer and passed away. As you probably know, she bravely fought this battle for eight years even though she was only expected to survive for some 18 months. I think it would be nice to see a photo of Hazel as we all remember her – the 'bubbly' wife

Our thoughts are with Len, Jenny and her family and Shadow

Rest in peace Hazel.
